

## Application for Certification as an External Evaluator for 21<sup>st</sup> CCLC Afterschool Grantees

The 21<sup>st</sup> CCLC grantees are required to contract with a certified outside evaluator to review, analyze, and jointly reflect upon the data collected over the course of the year specific to the three goals related to 1) academic achievement and efficacy, 2) program effectiveness, and 3) college and career readiness. The External Evaluation process requires the completion of a guided reflection document by the program administrator together with a certified external evaluator. Note: This requirement applies to Cohort 8, future cohorts, and grantees in Cohort 6 & 7 that have opted to use the new External Evaluation plan.

Individuals seeking certification as a 21<sup>st</sup> CCLC External Evaluator must have a master's degree in education, child/youth development, policy, or other related area which ensures knowledge of quantitative and qualitative methods, experience conducting program/project evaluations, and attend one of two 21<sup>st</sup> CCLC External Evaluator training session held on January 14, 2016 and February 5, 2016 by the Missouri AfterSchool Network (MASN).

***Please note that the information submitted below will be provided to 21<sup>st</sup> CCLC Grantees if all certification criteria are met. Submit completed form to Terri Foulkes at [foulkest@missouri.edu](mailto:foulkest@missouri.edu). You must submit the application for review PRIOR to receiving confirmation of registration for the Local Evaluator training.***

**Release Statement**

I understand that if I meet the criteria to become a certified 21<sup>st</sup> CCLC External Evaluator, the information provided above will be made available on the MASN and DESE websites to assist 21<sup>st</sup> CCLC grantees in the selection of a certified local evaluator to assist with their outside evaluation.

I understand that the list of certified 21<sup>st</sup> CCLC External Evaluators for the 2015-16 grant year will be posted for grantees to review and select certified evaluators, and that this application, supporting documentation, and attendance at the required 21<sup>st</sup> CCLC External Evaluator training must be completed prior to 2/15/16. Furthermore, I understand that my certification is only for the 2015-16 grant year and that I will be required to participate in additional training or other requirements in order to earn certification for future grant years.

I understand that MASN and DESE are providing the framework and oversight of the External Evaluation process, but that each individual grantee is responsible for contracting with and meeting with the certified External Evaluator of their choosing. I understand that attending the required training and becoming certified does not guarantee that I will be selected by a 21<sup>st</sup> CCLC grantee as their External Evaluator. I understand that grantees may select a different External Evaluator each year if they choose.

I understand that if I am selected by a 21<sup>st</sup> CCLC grantee for their 21<sup>st</sup> CCLC External Evaluation that I will be compensated by the grantee at a rate of \$2000 for the grantee with one site and \$200 per additional site after the first site. The grantee will contract directly with the certified External Evaluator.
