

MASN Data Webinars

These are monthly webinars that MASN will host to discuss upcoming reporting items throughout the year. We will discuss everything from KCC setup to end of year reporting. The goal is to break down any upcoming reporting items so they feel manageable to you as programs and answer your questions. Below is the calendar of meetings and the link for each.

All meetings will be held at 1pm on the listed dates.

September (9/23): Program Setup

This month we will review initial program setup for the year and answer your questions. We will discuss promoting student records and talk thru the structure of setup from program creation down to student enrollment and attendance.

December (12/9): Evaluation Documents

This month we will discuss the supporting documents for 21 CCLC Evaluation. Although this is something that gets officially sent in at the end of the year, now is a good time to begin collecting some documents that can go into that packet and not worry about it later! We will discuss what should be collected now and what should wait until the end of the year.

January (1/13): Grades Reporting

This month we are looking at student grades reporting in KCC. These outcomes are important measures for youth outcomes. Getting them into the system isn't difficult, but can be time consuming. You may have questions about who gets reported and what to do if you are on a trimester or year round academic calendar.

March (3/10): DESSA, Spring Assessments and Teacher Surveys

This month's conversation will be a refresher on how to setup the DESSA for the spring assessments. This assessment window also includes the School Day Teacher surveys done via the DESSA and we will talk about how these differ from the afterschool staff assessments and any questions you may have about how to get them done and by whom.
