

Title IV, Part B
21st Century Community Learning Centers

Expanded Learning (Time) Program Activities Procedure

Taken from Section 4204(a)(2) of Title IV, Part B – 21st Century Community Learning Centers (21st CCLC).

(2) Expanded Learning (Time) Program Activities - “A State that receives funds under this part for a fiscal year may use funds under section 4202(c)(1) to support those enrichment and engaging academic activities described in section 4205(a) that-

- (A) Are included as part of an expanded learning program that provides students at least 300 additional program hours before, during, or after the traditional school day;
- (B) supplement but do not supplant regular school day requirements; and
- (C) Are carried out by entities that meet the requirements of subsection (i).”

Missouri has chosen not to make Expanded Learning (Time) Program Activities available to 21st CCLC for the following reasons as determined by the Extended Learning Section of DESE:

- Inclusion of the Expanded Learning (Time) Program would limit the funding available to serve a geographic diversity across the state.
- Inclusion of the Expanded Learning (Time) Program could negatively impact the capability to serve as many at-risk students otherwise being served.
